

A MESSAGE FROM OUR PASTORS

PURPOSE FAMILY!
2024. . .the year we asked the Lord to
STRETCH us as a church and He did just that!

God did some incredible things this past year at Purpose Church as we saw a record year of people getting connected to Jesus and living on purpose! And we know this booklet may seem like a lot of numbers on a page but we count what is important to us! And we truly believe that every number has a name, every name has a story and every story matters to God and us! And so as we turn the calendar to another year, we love looking at the rearview mirror at the faithfulness of the God that we serve, and we are even more excited to look through the windshield of what we believe Jesus is about to do in you, your family, and our church in 2025.

The same way that orange juice comes out when an orange is squeezed, when Purpose Church is squeezed, we want our core values to come out. That's the DNA! Those are the things we are committed to down to our core AND YOU HAVE LIVED THOSE OUT SO WELL in 2024! From putting 1,027 pairs of shoes on kid's feet through Project Sole, to our largest Easter services ever with 1,614 people in attendance, you have consistently and emphatically lived out the heart of this house! I love being a part of a church where our values aren't just words that we say or words on a wall in our lobby but are values that we as a church truly live out!

We've got an incredibly BIG VISION for what God is going to do and I believe the Lord is calling us as a church to go DEEP in 2025! ISALAH 54:2 (NIV) says "Enlarge the place of your tent, stretch (we did that in 2024) your tent curtains wide, do not hold back; lengthen your cords, strengthen your stakes." I believe that we are going to continue to reach the lost, looked over, and least of these in Murray and Calloway County and have the conviction that as we do that, we're going to have to have some DEEP stakes for the size of reach that we're going to experience! So I'm asking you this year to GO ALL IN with God. No excuses. No holding back. Let's keep serving. Let's keep praying. Let's keep giving. Because we believe it's just getting better and better!

We thank God for all that HE did in and through us in 2024! What an incredible God that we GET to serve! We're so honored to lead and pastor you, Purpose Church. God is just getting started and we believe that THE BEST IS STILL AHEAD! We love you so much!
